

The screenshot shows the Surety Agent Portal interface. At the top right, it says "SureTec Agent" and "Logout". The main header features the Markel logo and the text "Surety Agent Portal" with contact information: "Questions? (877) 389-2105 M-F 8:30AM-5PM Central Time • customer@markel.com". Below the header are two buttons: "SureQuick" and "Bond Finder", with callouts pointing to their respective labels. The main content area is divided into three columns: "Pending New Business", "Pending Renewals", and "Purchased Bonds". Each column contains a list of bond transactions with details like company name, ID, and date. Callout letters A through J are placed throughout the interface to highlight specific features: A (AB-DB icons), B (details icon), C (shopping cart), D (printer icon), E (bond type dropdown), F (refresh button), G (funnel icon), H (clear button), I (show more dropdown), and J (search button).

- A** AB - DB Icons Choose Direct Bill or Agency Bill, bond by bond.
- B** Details Icon Get bond details, principal info and more, at-a-glance.
- C** Shopping Cart Choose Agency Bill or Direct Bill and purchase with credit card or Electronic File Transfer (EFT).
- D** Printer Icon Print transaction invoice or receipt, depending on the column.
- E** Bond Type Dropdown Select a bond type and the portal will populate all columns with bonds matching the selected type.
- F** Refresh Button Refreshes all columns, allowing a real-time view of transaction activity.
- G** Funnel Icon Choose specific filters by column or for the entire portal.
- H** Clear Button Clears filters.
- I** Show More Dropdown Allows you to expand the number of bonds in a column.
- J** Search Button Opens "Manage Transactions" screen - a multi-functional agent tool.
